

# The Solution Is Repentance Not Revolution

By David J. Stewart | February 2013

***Isaiah 55:7, "Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the LORD, and he will have mercy upon him; and to our God, for he will abundantly pardon."***

The evil powers behind the forming New World Order (NWO) want revolution, because it will usher in their New Order that much faster. I'm not for violent revolution; but rather, restoring the U.S. Constitution. President John F. Kennedy once said that those who make peaceful revolution impossible make violent revolution inevitable. The criminal powers which have taken over our nation's government fully realize this and are preparing for civil war, arming themselves to the hills, enacting laws to criminalize citizens, and have millions of caskets ready to go to bury dead Americans. It's been in the headlines for the February

2013 world news that President Obama wants a sweeping ban on guns. This is all preparation to overthrow America when our economy implodes. America as we know it today won't exist in 25-years from now.

The underlying belief system of the Illuminati promotes the idea of "Order Out Of Chaos." That's what the Latin words on the reverse of every U.S. one-dollar bill say. It's quite simple really... In order to rebuild something, you first have to tear it down! This is why the first head of the World Health Organization (WHO), Gregory Brock Chisholm stated in 1954...

***"To achieve world government, it is necessary to remove from the minds of men their individualism, loyalty to family tradition, national patriotism, and religious dogmas." —George Brock Chisholm, in a Speech given at the, Conference on Education, Asilomar, California, September 11, 1954***

So we learn that the concept and plot for World Government is not something new or recent. The Illuminati (properly called globalists) support and promote anything evil, immoral, dishonest, hurtful and corrupt which will escalate the total DESTRUCTION of America's families, faith in God, loyalty to parents, patriotism to one's country and individuality. Literally, the globalists want to see America implode and rip itself to pieces. They desire to see the United States crash and burn!!!

If you understand this vital concept, then it becomes obvious why we are seeing so much insanity, evil and wickedness targeting our youth and families today. Lies and misinformation exist everywhere these days, deliberately so, to confuse us and keep us in the dark. Thank God that He always provides the truth for those who have a pure heart and desire it.

Americans have become hard-hearted and calloused, so familiar with sin that it doesn't even phase them. The spirit of holiness in our churches has been replaced with an atmosphere of entertainment. People have lost touch with reality, demanding more and stricter laws, more rehabilitation and reform, better education; yet the only true answer is salvation by faith in the Gospel of the Lord Jesus Christ. Any attempt to improve humanity spiritually without the Gospel is the false religion of [religious humanism](#) (a path to Hell, fire and damnation).

A bunch of beer-drinking, partying, Rock 'N' Rolling, cursing, dirty-minded, gay-supporting, fornicating, Christ-rejecting, zealous patriots are **NOT** going to save America from God's hand of judgment. 2nd Chronicles 7:14 hasn't changed in 3,000 years. God still honors repentance today, just like He did back then. We must teach people to humble themselves before God as sinners, and believe on the good news of Christ's death, burial and resurrection to be saved. Only then can God miraculously change that person's life. Patriotism is worthless if it's not rooted to faith in God. Countless heathen college professors have attempted to rid American society of faith in God, but it's impossible if liberty is to remain. Liberty is a gift from God. Without faith in God, then the government becomes supreme (Communism). Our founding fathers intended for separation of church and state, not God and state. A government without God become their owns gods (which is why abortion, smut, same-sex marriages and other evils are legal in the United States).

## Alex Jones: Friend Or Foe Of America?

I want for people to listen to syndicated radio host, Alex Jones. I like Alex, he's a fighter and speaks his mind. Yet, I am leery of Alex's methods for restoring liberty in America. Alex has, on rare occasion, correctly stated that America needs to repent. Unfortunately, he spends the other 95% of his time teaching New Age concepts like religious humanism, cosmos cosmology and his own form of evolution, talking about mankind evolving from cavemen. I DON'T think that Alex is an Illuminati plant, but whether he realizes it or not, he's helping the New World Order by promoting Heavy Metal Rock music, David Icke, religious humanism and revolution without the gospel. [Alex Jones Does NOT Preach The Gospel](#) (I love Alex, but he is confused on the Gospel).

Alex Jones doesn't call for violent revolution nor encourage it per se. But in reality people are getting very angry, buying weapons and getting ready for civil unrest. Alex sells everything necessary for revolution. Who's kidding who? What concerns me is that Alex is personal friends with heavy-metal icons like [Dave Mustaine of Megadeth](#), whose music is all about death and destruction. Alex's show promotes Rock music, which is saturated in sexual immorality, rebellion and the occult. Heavy metal is all about rebellion against authority. I've heard Alex make threats on radio that if the government ever tries to take his guns away, someone will get hurt. A lot of good Americans feel that way, and I agree. Our guns are the last protection that citizens have against total tyranny in America!!!

Albeit, you're not going to save a nation by rebelling against authority. Immoral citizens cannot take back their nation from immoral leaders. The Bible gives us the recipe in **2nd Chronicles 7:14** for national healing, ***"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."*** Alex understands that the globalists want us to revolt as a pretext to kill us. Yet, his business is promoting anarchy since he does NOT preach the gospel message of Christ's death, burial and resurrection, which is the gospel according to 1st Corinthians 15:1-4. Ye must be born again! (John 3:5-7).

A group of Led Zeppelin rockers - who are sexually immoral, despise dominion, and steeped in new age occultism - are not going to return liberty to our nation. Only God can remedy this mess. It's a lack of family values, abandonment of the Word of God, and eradication of Christianity that has brought this evil mess upon our society. You won't undo this mess with Islam. You won't undo this mess with Cosmos Cosmology. You won't undo this mess with Led Zeppelin. You won't undo this mess with [psychotic people like David Icke](#) (Icke lost touch with reality a very long time ago). The gospel of Jesus Christ is the ONLY solution. **Romans 1:16**, ***"For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek."*** [Alex's Religious Humanism at INFOWARS.COM](#) won't bring America back from the brink of destruction.

Alex is confused at best and a globalist plant at worst. Evidently Alex doesn't understand that repentance begins with salvation, and salvation is impossible without preaching the gospel message. How can America repent if Alex doesn't preach the gospel message to anyone? **Romans 10:14**, ***"How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?"*** How shall they hear without a preacher? Alex would rather leave the job to America's pastors in small town pulpits, but Alex has strong influence over tens-of-millions of people that those ministers don't.

What a cop out! Alex claims to believe the Bible; yet he denies a literal interpretation of Genesis. Alex promotes occult music by ACDC, Blue Oyster Cult, Van Halen, Led Zeppelin and Judas Priest (whose frontman, Rob Halford, announced in 1998 that he is a flaming homosexual).

**Backmasking is often used for aesthetics, i.e., to enhance the meaning or sound of a track. During the Judas Priest subliminal message trial, lead singer Rob Halford admitted to recording the words "In the dead of the night, love bites" backwards into the track "Love Bites", from the**

1984 album *Defenders of the Faith*. Asked why he recorded the message, Halford stated that "When you're composing songs, you're always looking for new ideas, new sounds." Stanley Kubrick used "Masked Ball", an adaptation by Jocelyn Pook of her earlier work "Backwards Priests" (from the album *Flood*) featuring reversed Romanian chanting, as the background music for the masquerade ball scene in *Eyes Wide Shut*.

SOURCE: [Backmasking](#)

Rock music is all about standing up against AUTHORITY. Jude 1:8 teaches that wicked men DESPISE DOMINION. There's a fine line, but a clear line, between concerned righteous citizen's protesting government (which is our Bill Of Rights) verses a wicked and rebellious people who want to take control of their government without repentance toward God. Americans have delved deep into sin, embracing abortion, homosexuality, drunkenness, casino gambling, dishonesty, greed, covetousness and sexual immorality of every sort. God will NOT bless our wickedness. Congress has stopped caring because they are simply a mirror of a public that has stopped caring.

Our leaders rise from the pool of society and our decadent culture. In any corrupt society, the judges, law enforcement, educators, officials, politicians and law-makers are still a part of that decadent public, and so government deteriorates with the base of civilization. The basic unit of any society is THE FAMILY. That's why television has become so sick, feminist, rebellious against parents, perverted and uncouth (toilet humor) in a desperate, malicious and deliberate attempt by the global elite to corrupt, contaminate and destroy traditional families in America. An immoral society is a non-caring society. People just don't care anymore, and the few that do are quickly harassed, persecuted and even prosecuted by TSA, CPS, the police, government, et cetera.

I am also leery of Alex Jones because he promotes [David Icke](#) and employs him as a staff writer. Icke is about as whacko as you can get, teaching that reptilian aliens have taken control (which he says are demons). I like David Icke as a person from listening to him over the years, but his views are totally anti-Christian and blasphemous against God. Why does Alex promote him? Led Zeppelin, David Icke, cosmos cosmology, sensual images on Alex's website... all destructive to the very society that Alex claims he is trying to save. Where's the gospel?

Any talk of revolution is exactly what the evil powers behind the New World Order want, so they can murder Americans like in Syria. Over 38,000 citizens have been brutally slaughtered over the past 2-years in Syria by social unrest and civil war. Social unrest and civil war WILL come to the United States, guaranteed! In just heard today in the news that President Obama is raising the minimum wage to \$9 per hour. This move is going to bankrupt a lot of smaller companies and put them out of business. America's cities are going broke. Our nation has been DE-INDUSTRIALIZED by [a wicked congress that sold us out](#). The spoiled good times in America WILL END! The economy is going to IMplode, all by design, intended to bring Americans to their knees. It is no coincidence that to the same degree that Americans have embraced wickedness, disobeying the Bible, to that SAME extent Americans don't care and have become indifferent. This has allowed the evil powers behind the New World Order to divide and conquer American society. A sin-loving people is a blinded people! A sin-loving society is a foolish society!

Television has become so evil and blatantly, shamelessly and shamefully wicked. God's hand of blessing has departed from our nation. We are bringing judgment upon ourselves. By abandoning the Bible, we have dug our own graves as a people. President Obama is openly pro-Communist, pro-homosexual, pro-abortion, anti-gun rights, anti-American, pro-illegal immigration, pro-lobbyist... he supports everything evil and is against everything good. God is still on His throne, but America has forgotten the Lord. We are going to get what we deserve for forsaking the Words of God. Perversion is everywhere. Dishonesty is commonplace! Hatred permeates our nation. People can't seem to get enough of violence on TV from exploitive reality shows. It's been said that Americans always do the right thing last.

I saw a woman on a home-buying-show saying that a 4,000 square foot home wasn't big enough for her. I couldn't believe it. She wasn't even happy with a 5,000 square foot home. In the end, the realtor told her to save more money if she wanted a million-dollar home for \$200,000. Americans are so spoiled rotten! There is a new bank commercial on TV with a little girl telling an adult, "We want more! We want more! We want more!" That's so typical of America's spoiled brats these days (children and childish adults alike). Americans are overly materialistic and yet complain often. We don't deserve anything good from God. The Bible teaches in 1st Timothy 6:7-10 that we should be CONTENT with what we have as Christians. It is a sin to be covetous and prioritize material possessions. The Bible tells us in Colossians 3:1-3 to set our affections on *THINGS ABOVE* in Heaven, where our Lord sits on the Father's right-hand. The greatest things in life aren't things. Oh! How selfish and sinful are most people... complaining, gossiping, fussing and feuding, divorcing, all because of arrogant sinful pride!

The answer to America's problems is repenting toward the God of the Bible, bringing the Bible back into our schools, preaching the gospel and obeying the Lord. Christianity is the answer, not violent revolution! There will be violence in the future as Americans riot, and I certainly don't call for it; but the U.S. government has been gearing-up and preparing for such resistance, Homeland Security (CIA controlled) purchasing nearly 2 billion hollow-tipped bullets over the past 2-years. A hollow-tipped bullet breaks apart as it enters the human skull, going 7 different directions and destroying the brain completely. There's no chance of survival. Death is guaranteed. The shelf-life on bullet ammunition is about 20 years, so evidently they're expecting civil unrest within the next two decades, likely sooner than later. God help this nation if [Jeb Bush takes the U.S. Presidency in 2016](#) (which I think he will). It is commonly [purported that George H. Bush married the daughter of satanist Aleister Crowley](#), which would make Jeb, Marvin and George Jr. the great grandsons of Crowley. Creepy, huh?

The answer to America's problems is repenting toward the God of the Bible, bringing the Bible back into our schools, preaching the gospel and obeying the Lord. Christianity is the answer, not violent revolution!
